

A BILL FOR AN ORDINANCE

RELATING TO KANEOHE BAY DRIVE.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Council Findings and Purpose. The purpose of this ordinance is to repeal Section 15-21.11, Revised Ordinances of Honolulu 1990, which prohibits trucks with weight loads in excess of seven tons from using Kaneohe Bay Drive between Paku Place and Mokapu Saddle Road, subject to certain exceptions for authorized emergency vehicles. The prohibition has prevented heavy commercial and government service vehicles from using this roadway, even though the Department of Design and Construction has determined that no structural design limitations exist to warrant vehicle weight restrictions on Kaneohe Bay Drive.

SECTION 2. Section 15-21.11, Revised Ordinances of Honolulu 1990, is repealed.

["Sec. 15-21.11 Restricting the use of Kaneohe Bay Drive.

- (a) No person shall drive any truck in either direction over Kaneohe Bay Drive, between the intersection of Mokapu Saddle Road and Kaneohe Bay Drive and the junction of Kaneohe Bay Drive with Paku Place, when such truck with load weighs in excess of seven tons.
- (b) The provisions of this section shall not apply to an authorized emergency vehicle as defined hereinbefore, while the driver of such vehicle is operating the same in an emergency in the necessary performance of such driver's duties, nor to a vehicle the owner or driver of which has obtained from the director of transportation services of the City and County of Honolulu a permit authorizing the operation of such vehicle over the above described drive. Said director of transportation services shall issue such a permit only when it appears to said director's satisfaction that an emergency exists necessitating the issuance of such a permit."]

SECTION 3. Ordinance material to be repealed is bracketed. When revising, compiling or printing this ordinance for inclusion in the Revised Ordinances of Honolulu, the revisor of ordinances need not include the bracketed material.
